

بسم الله الرحمن الرحيم

“Our aim is to develop a self-sufficient, able, and capable community, the work we do is sadaqah, the people who receive services are mostly not charity (zakat) eligible”.

Sarah Chaudhry MBA  
FRICS  
I Director  
May 2024

# Welcome to Surveyor Store Ltd

- We are Real Estate Management Consultants.
- In 2023 we founded AMSi which is the Association of Muslim Surveyors initiative, complementing this for professional development and training we have Surveyor School and the Property Practice for services.
- AMSi is a global network, we (Surveyor Store Ltd) offer a cost-efficient opportunity to develop high-value skills, and an opportunity to develop and offer services.

# The AMSi (Association of Muslim Surveyors initiative)

Formed in 2023, we believe everyone deserves a fair chance, we have simple aims:

- To pave the way into professional real estate institutions;
- To raise awareness of the profession(s) in the community, as the role of surveyor is unknown;
- To create a platform for everyone Muslim and non-Muslim.

We also aim to build bridges in society, we are a global community.

# AMSi Opportunities

Strategic advisors panel  
Sister and brother's network  
Sponsorship  
Members events  
Ambassadors network  
Competitions  
Be published  
Individual contributions

We have a global presence.

We encourage others to set up local networks.

The work we do is sadaqah, training, knowledge sharing, and showing a way.

The people who benefit from our services are not zakat (charity) eligible. Most are young, able, and capable. Some are well-established.

A registered trademark.

professionalism  
worldwide**

# Surveyor School

- We provide RICS APC (Assessment of Professional Competence) Counsellor Services.
- We are global trainers and visiting university lecturers, we cover both MSc and BSc Real Estate courses.
- We deliver in-house bespoke Real Estate training.

# The Property Practice

- For clients looking for Real Estate solutions, we can help develop options, we are an all-rounder and can add value.
- We can work in-house as advisors or independently.
- For technical surveys, a valuation, or a property inspection, if we cannot do the work ourselves, we are happy to help find and broker an arrangement.
- We seek Associates and Partners.
- We know what we can do and our limitations.
